

THE SILVER CIRCLE

The National Academy of Television Arts and Sciences

The Silver Circle is not an award; it is a society of honor. The Silver Circle is open to all persons in the NATAS Northwest Chapter jurisdiction who began their careers in television at least 25 years ago. Their entire career need not have been spent in a single market but they must have made significant contributions within the award region.

They may or may not be National Academy members. Candidates should be super stars in a performing, journalistic, creative, technical, educational, or administrative role with the industry. Selection will consider service to: the general community, the television industry, the National Academy, and the training of others for careers in television.

Candidates must have more than longevity to their credit; they must be truly outstanding in their contribution to both the television industry and their communities.
